

INTD 100: Essay #3

Whittier College

In the events leading up to, including, and after the Great Recession of 2008, was there one particular political party that was at fault? Which political groups gained from the financial collapse of 2008 and which political groups were at a loss? Explain in detail and focus on particular political parties, members, and/or individuals. Include their policies or actions related to your arguments. Essay should be 2-4 pages double spaced single sided in APA format. Include all works cited. Paper needs to have a narrowly focused and debatable thesis. You must have claims, data, warrants, counter claims, and rebuttals in support of your thesis. Papers that do not include any of these components will be deemed incomplete.
